ROLE CONTEXT (Optional)

The Gatehouse Sexual Assault Service at the RCH provides therapeutic interventions and support for children/young people who have experienced sexual violence or engaged in harmful or problematic sexual behaviours and their families. Gatehouse is committed to the following pillars of practice:

- Diversity and inclusion
- Trauma model of recovery
- Collaborative and integrated service delivery with children, their families and partner agencies
- Child-centred family-focussed ecological model
- Child Rights and justice.

Gatehouse is a Member of Sexual Assault Services Victoria (SASVic) and is a growing team of approximately 40 clinical team members including qualified Social Workers, Psychologists, Neuropsychologists, Mental Health Nurses, Occupational Therapists, Play Therapists and Family Therapists, who have specialist skills and qualifications in working with sexual assault and harmful sexual behaviour. Gatehouse sits within the Ambulatory Services and Allied Health Directorate at the RCH.

ROLE PURPOSE

The Clinician, Gatehouse Sexual Assault Service provides therapeutic and support services within a trauma model of recovery, for children and young people who have experienced sexual violence, or have engaged in harmful or problematic sexual behaviour, and their non-offending family members. This role also contributes to Intake by receiving and responding to referrals for service, inquiries regarding child sexual abuse, harmful sexual behaviour and crisis care presentations.

KEY ACCOUNTABILITIES

Provision of care

- Provide assessment and therapeutic interventions and support for children/young people who have experienced sexual violence and/or engaged in harmful or problematic sexual behaviour and their non-offending family members.
- Use a trauma focused model of recovery to promote child rights and justice, facilitate access, and support safety, wellbeing, and connection.
- Incorporate the diverse needs of all children, young people and their families, including those from Aboriginal and Torres Strait Islander, culturally and linguistically diverse and LGBTIQ+ populations.
- Participate in the Gatehouse Centre Intake roster where required, receiving and processing referrals for service, provision of sexual assault crisis response services, and secondary consultation to professionals.
- Participate in the Gatehouse crisis care after hours roster.
- Adhere to established clinical care ratios specified by the service and achieve Key Performance Indicators (KPIs), to meet allocation and appointment targets with the support of clinical supervision and operational leadership.
- Maintain clinical documentation, records and data as per discipline specific guidelines and RCH procedures and contribute to data collection requirements.

Supervision, leadership and people management

- Participate in clinical supervision in accordance with local standard operating procedures and/or the RCH Allied Health Clinical Supervision Guideline which are based on the Victorian DoH Allied Health Clinical Supervision Framework.

Lifelong learning

- Comply with discipline requirements to participate in continuing professional development and ensure appropriate credentialling.
- Participate in relevant continuous professional development activities to ensure maintenance and currency of practice skills and approaches.

Collaborative practice

- Provide professional recommendations and secondary consultation to staff within RCH and external agencies including Child Protection, education, mental health, courts and other community services to enhance coordinated care, build capacity in these services, and promote a trauma model of recovery for children and young people.
- Provide education and training to staff within RCH and relevant external agencies.
- Build and maintain relationships with key internal and external stakeholders to maximise service coordination and cooperation and promote child centred, family focused care.

Communication

- Demonstrate well-developed professional and interpersonal communication skills, attitudes and behaviours to interact with a variety of stakeholders.
- Contribute to a culture of open and effective communication in which feedback is used positively to enhance self-awareness, goal setting and learning.
- Consider different points of view, compromise and recognise and constructively address issues that may lead to conflict.
- Communicate effectively with children, young people and their families to ensure their understanding of the Gatehouse Centre's policies and procedures and to ensure their needs and views are included in care planning and actions.

Continuous improvement

- Contribute to departmental planning, continuous quality improvement projects and evaluation of services to uphold Gatehouse Centre's commitment to ensuring safe, innovative, evidence-based effective and efficient service delivery in line with Strategic Plan.
- Escalate risks appropriately to supervisor and/or relevant stakeholder.
- Act to reduce error and identify, assess, report and manage sources of risk in own practice.
- Maintain competency in relevant skills in line with departmental requirements relevant to role.

Organisation and planning

- Prioritise workload and competing demands effectively.

Research

- Evaluate current practice with respect to the evidence.
- Find, critically review, share, evaluate and interpret literature and apply to current role/service.
- Work with team/department to identify research gaps and takes opportunities to engage academic partners.
